This, non-competitive group gives all non-competing dancers, or those not quite yet ready to compete the opportunity to perform in a competition-like setting and get the experience before the pressure of a true competition. Designed for pre-primary or pre-beginner dancers to have more opportunities to perform and get experience prior to competing (if they choose to one day). Each demonstration dancer will get a participation award and a certificate, but will not be judged, awarded points, or medals.

The number of awards presented was based on the dancer-to-prize ratio recommended by FUSTA - awarding 2 places less than dancers competing, up to 6 places. Number of dancers is based on the total number of dancers actually competing, meaning those who physically danced on the stage.

Dancers who registered but did not compete are not counted for placings awarded.

Groups are divided to allow majority of groups to give out to 6 medal placings under this guideline.

NOTE: this ratio was NOT used in the primary or choreography categories!
